## Does AutoUpdate setting remove local thresholds?

- **Article Type:** Q&A
  - **Product:** SFX
  - **Product Version:** 4
- 

### Question

Will local thresholds be overwritten if AutoUpdate is turned on for a target service?

### Answer

The local threshold field is not removed during revisions if AutoUpdate settings are turned on for a target service

### Additional Information

Local thresholds can be removed in bulk using "Remove Local Thresholds" feature of Threshold Tool in SFX Admin Center, either for an entire target, or for a list of items an input file containing ISSN, ISBN, or Object ID
