
Collection Drop Down is Blank in Change Item Information screen

- **Article Type:** General
 - **Product:** Aleph
 - **Product Version:** 20
-

Description:

Go to Circulation Module, > Change Item Information, the Collection Field is blank.

The collection should be populated with what is in tab40.eng.

Resolution:

The Collection drop-down box in

[1] Cataloging > Items tab > [L] Items List > upper right pane, Global Changes button > Global Changes window, "Change to:" side (right)

[2] Circulation > Items menu > Change Item Information

is Sublibrary sensitive.

You must select the Sublibrary first.

Then, when you expand the Collection drop-down box, it will be populated according to the values in tab40.eng.
