

Change in messages_en.properties is not displayed in the UI

- **Article Type:** General
 - **Product:** Verde
 - **Product Version:** 2
-

Description:

If the value of `eproduct.general.sponsoringLibrary` in `messages.properties` (under `vconf/i18n/`) is changed, the new value is displayed properly in the UI when the field is empty. If however you submit a value in this field, the original field title ('Sponsoring Library') is displayed.
