

Sync dates display in European format

- **Article Type:** General
 - **Product:** Verde
 - **Product Version:** 2
-

Description:

When viewing the Verde Sync History tab, the dates on the list appear in format DD/MM/YYYY instead of Verde usual DD-MMM-YYYY. The same problem occurs in the brief summary - Last Sync date appears as DD/MM/YYYY while other date information (e.g. Status) appears in format DD-MMM-YYYY.

The format DD/MM/YYYY confuses customers which are used to see dates in American format (MM/DD/YYYY). The dates should appear consistently in Verde usual format: DD-MMM-YYYY.

Resolution:

From issue resolution:

Customer has upgraded to SFX 4 and no longer uses sync[12/5/2011 1:39:22 PM Tzippy Levy]

Final Status: Closed [12/6/2011 10:13:08 AM Tzippy Levy]
