

Trial end date disappears in Firefox

- **Article Type:** General
 - **Product:** Verde
 - **Product Version:** 2
-

Description:

When using Firefox, the end date of a trial disappears upon entering the dates and status "trial over". When you return using "Back to list", the end date displays properly along with the start date, but if you go into the trial record, it does not display. If you change the trial status, the end date reappears with the correct date.
