

\$base_demo_lib ... no_such_symbol

- **Article Type:** General
 - **Product:** Aleph
 - **Product Version:** 20
-

Description:

The command shown in KB 3990 to get the base demo library for abc01 fails:

```
alephdev-ABDEV-ABC01 >>echo $base_demo_lib  
no_such_symbol
```

Resolution:

This occurred because Oracle was down.
