
Problems with updating main contact by Organization Contacts Loader

- **Article Type:** General
 - **Product:** Verde
 - **Product Version:** 2
-

Description:

The update of main organization contact is failed when using organization contact loader. When updating contacts using Organization Contact loader the following error message is displayed for the main contact: "Failure, This row has been rejected library/organization cannot have more then one main contact". Other contacts are successfully updated by the same load.

Resolution:
