Description:

What post-upgrade steps should be performed for Course Reserves in the 18-19 or 18-20 upgrade?

Resolution:

As described section 8.3 of Upgrade Express 18.01 to 19.01 User Guide, Document version 1.16, the following is the correct sequence of post-Upgrade Express Course Reserve Library steps:

1. p_manage_05
 2. p_manage_01
 3. p_manage_02
 4. p_manage_07
 5. p_union_01
 6. p_union_02
 7. util a/17/1 for xxx30 z127
 8. csh -f \$aleph_proc/create_z127
 9. util/a/17/6/1/1 to create the z120/z127 triggers
 10. p_manage_12 (with "Delete all Links?" "No")
