

ILL2 Requested Media Field Does Not Populate

- **Article Type:** General
 - **Product:** Aleph
 - **Product Version:** 18.01
-

Description:

The Requested Media field is not populating automatically.

Scenario:

[1] left pane Search tab, [F] Find, Titles field, enter "buffalo", click OK.

[2] click Show button. First title is "The adventures of Buffalo Bill".

[3] Click ILL Request button, choose Borrowing Request and click OK.

[4] The Requested Media field does not automatically populate based on the format of the item.

Resolution:

Your ill.ini file is missing the following value from v18 rep_change 000922

Integrated ILL - Adding an option to set default values for the "Requested media" in borrowing request form.

In order to set this option add to following line to PC file: .\ill2\tab\ill.ini

```
[GetDefaultValue]
```

```
RequestedMedia=Y
```
