

Adding the Display Logic rule for DirectLink

- **Article Type:** General
 - **Product:** SFX
 - **Product Version:** 4
-

Desired Outcome Goal:

When activating DirectLink banner the General User's Guide instructs to add a display logic rule with the threshold `$obj->plugIn('DirectLink')` . The option to add this threshold does not appear when adding the display logic rule.

Procedure:

1. When adding the display logic rules, select the threshold condition
2. Add the following threshold: `$obj->plugIn('DirectLink')`
3. Click Submit to save
