

KB update report improvements

- **Article Type:** General
 - **Product:** Verde
 - **Product Version:** 2
-

Description:

The KB update reports for new and updated work records (under KB Tools) do not include the e-Product type as one of the output fields. This field should be included here.

Another issue is that the report output does include the Categories field, but its value is always 'null.'

Resolution:

- **Article last edited:** 10/8/2013
