## The DataLoader term MAIN-HIRA should be MAIN-KANA

- **Article Type:** General
  - **Product:** SFX
  - **Product Version:** 4
- 

### Description:

A small mistake appears in the 'General User Guide' where the term "MAIN-HIRA" should be "MAIN-KANA".

"MAIN-KANA" is available in SFX software.

The relevant changes were made and should be published in the coming future.

### Resolution:

From issue resolution:

Document fixed.
