
Some Scheduled report parameters on the edit view are missing

- **Article Type:** General
 - **Product:** Verde
 - **Product Version:** 2
-

Description:

When entering scheduled report in the edit view some of the scheduling details aren't displayed.

To be reproduced on il-verde05 slot 3:

- On KB Tools > Reports > General report of e-products, please create scheduled report with the following parameters:

PARAMETERS IN USE

Run on instances: null

View Full Package Content: false

Sort by: TITLE

Filters on active e-products records: true

e-Product Type: e-Constituent

Activation dates: 02/05/2010-

SCHEDULE PARAMETERS

Start: 11:12

Recurrence Pattern:

- Mode: Daily

- Include weekend: false

Range of recurrence:

- start date: Mon May 10 11:12:20 IDT 2010

- end date: null

- Go to the KB Tools > Scheduled Reports/Tasks and open the report you created in the 1st step.

- Please note that when opening the report in edit mode some of the fields are reset to their default - "filters on active records" is still set, but e-Product type list has no selection made, Activation from date is blank.

Resolution:

Additional Information

Scheduled report, e-products
