Question

Are there instructions for installing the Aleph GUI?

Answer

The following documents are from 2011, but (as of v22) are still valid:

1. Standalone install: Ex Libris Documentation Center > Aleph > Support > How To from Support by subject > GUI_email_and_installation > How_to_install_the_GUI_in_standalone_mode.doc
 2. Network install: Ex Libris Documentation Center > Aleph > Support > How To from Support by subject > GUI_email_and_installation > How_to_install_the_GUI_in_network_mode.doc
