

What is the minimum length of a patron barcode?

- **Article Type:** Q&A
 - **Product:** Voyager
 - **Product Version:** 7.1.1
-

Question

We are making some changes with our student registration and new barcodes will be shorter than our existing patron barcodes in Voyager. Is there a minimum length for barcodes in Voyager?

Answer

Voyager has no minimum length for patron barcodes. You can create patron barcodes of any length up to 25 characters.
