## GUI Item - Circulation Summary -- No renewals

- **Article Type:** Q&A
  - **Product:** Aleph
  - **Product Version:** 20
- 

### Question

\* The pc\_display\_ing/item-current-summary screen does not include renewals. Is there any way to include Renewals on the GUI Item – Circ summary screen?

---

### Answer

The Circ-Summary (item-current-summary) screen has two tabs: "1. Current Summary" and "2. History Summary".

1. The Current Summary tab "Loans" count does not include renewals, but
2. the History Summary has counts for Web Renewals, PC Renewals, and Batch Renewals.

**Category:** Circulation (500)

**Subject:** Items (500)
