

Catalogue Item Display

- **Article Type:** General
 - **Product:** Aleph
 - **Product Version:** 16.02
-

Description:

Field 505 is not displayed in the HOL page.

Why?

Resolution:

Please add to edit_paragraph.eng in XXX01 library line:

013 505## D ##

and restart the server.

Make sure that the you have the value M in Col .10 of edit_doc_999.lng.

Without M, 505## fields are displayed in Full view but not in holdings window.
