

## Shortcut Keys in Cataloging Module

- **Article Type:** General
  - **Product:** Aleph
  - **Product Version:** 16.02
- 

### Description:

The following shortcut keys some times works and some times not:

Ctrl C/Ctrl V

Ctrl S/Alt/S

Ctrl T/Alt/T

Ctrl D/Alt/D

Can this be corrected?

### Resolution:

The short / shortcut keys you mention are also used in Windows events,

Fixing this might jeopardize the stability of the Cataloging Editor.

This will be a clash between applications. Therefore we are not correcting this.
