

## NCIP not defined as Y in license file"

- **Article Type:** General
  - **Product:** Aleph
  - **Product Version:** 16.02
- 

### Description:

Our ncip\_server\_5992.log has the following error:

NCIP not defined as Y in license file  
License Error, Exiting

Please advise what we need to do to have someone access our ncip.

### Resolution:

This error message indicates that the license lacks the following line:

NCIP Y

Any license which is to be used for NCIP needs to have this line.
