Question

Desired outcome / Goal

Can we program Voyager so that 2 hour reserves are due at closing time when checked out less than 2 hours before closing?

Answer

There are several ways to accomplish this using the "Apply Fixed Due Time to Overnight Loan" and "Count Closed Days/Hours/Minutes for Loans" checkboxes.

Additional Information

See the "Calculating Loan Periods for Hourly and Minutely Loans" section starting on p5-15 of the SysAdmin User's Guide.
