

## Limits in the e-shelf.

- **Article Type:** General
  - **Product:** MetaLib
  - **Product Version:** 3
- 

### Description:

Is there a limit to how many items can be stored on one's e-shelf?

Is there a limit to how many items can be placed in the basket in one session?

### Resolution:

You can store 500 records in each e-Shelf folder. The number of folders is unlimited.

Since MetaLib V3.13, limitations for the basket can be set in `/vir00/tab/tab_z312_limits` for each institution and group, but the limit cannot exceed 500 records.

---

## Additional Information

e-Shelf, folder
