

Change email footer in Tomcat Webvoyage

- **Product:** Voyager
 - **Relevant for Installation Type:** Dedicated-Direct; Direct; Local
-

Question

Where can the email footer information be changed for Tomcat Webvoyage?

Answer

1. **Locate file** /m1/voyager/xxxdb/tomcat/vwebv/context/vwebv/ui/en_US/xsl/emailBody.xsl
2. **Edit the stanza:**

Institution Name:
Institution Address:
Institution Web Site:
Institution Phone:

Note that if you prefer, you can exclude the labels and edit the stanza as in the following example:

```
Library Name  
library-website.edu  
(123) 456-7890
```
