

## How can records be deleted in Voyager?

- **Article Type:** Q&A
  - **Product:** Voyager
  - **Product Version:** 8.0.0
  - **Relevant for Installation Type:** Total Care; Dedicated-Direct; Direct; Local
- 

### Question

How can authority, bibliographic, holdings, and item records be deleted in Voyager?

### Answer

Several options to delete records exist in Voyager. Depending on the types of records, records may be deleted using the staff cataloging client, BulkImport, Global Data Change (GDC), or Pick and Scan.

Note that the operator must have the proper permissions to delete records.

### Additional Information
