
Structure of the XML file for patron / user upload

- **Article Type:** Q&A
 - **Product:** Alma
-

Question

How does the complete patron XML structure look like?

Answer

The documentation exists in this link:

https://developers.exlibrisgroup.com/alma/apis/xsd/external_sys_user.xsd

Additional Information

The files are used by the Patron Loader (SIS) Integration Profile, when importing users, students, etc.

Category: Patron - Alma
