## How to restrict Acquisitions access during FPC

- - **Product:** Voyager
  - **Product Version:** 7.2.5
- 

### Question

How to restrict access to Acquisitions during Fiscal Period Close?

### Answer

To disable acqsvr:

1. `cd /m1/voyager/xxxxdb/sbin`
2. `cp -p Pacqsvr Pacqsvr.preFPC`
3. `sed s/^exec/#exec/ Pacqsvr.preFPC > Pacqsvr`

To enable acqsvr when done:

1. `cd /m1/voyager/xxxxdb/sbin`
2. `cp -p Pacqsvr.preFPC Pacqsvr`

### Additional Information

Operator will see "Unknown Error - - 10053" if they attempt to login to Acquisitions when it has been disabled in this manner for Fiscal Period Close..

---

#### Note

If [FPC Options](#) are enabled for [WebAdmin](#) (optional in Voyager 9.0.0 and higher), the Disable/Enable Acquisitions option can be used instead.
