## 01MST: Acq loader: price cap field does not load properly

- **Article Type:** General
  - **Product:** Verde
  - **Product Version:** 2
- 

### Description:

When using the Acquisitions loader to load the Price cap field populated with a decimal number (e.g. 20.15), the number is rounded to be integer (20). Upon entering the value using the KB Manager, the decimal value is loaded properly.

### Resolution:
