

Change UI labels for Verde user roles

- **Article Type:** General
 - **Product:** Verde
 - **Product Version:** 2
-

Description:

The roles are found under "Privileges" in the code tables. It has been suggested to change the "Privileges" code tables topic label to "Users & Profiles" since this more accurately describes the labels that are found there. Another suggestion is to change the "Permissions" field label (under topic: Privileges) to "Privileges" to match the heading found elsewhere in the UI.

Resolution:
