
Change status name "Withdrawn by Publisher"

- **Article Type:** General
 - **Product:** Verde
 - **Product Version:** 2
-

Description:

The status name "Withdrawn by Publisher" can be confusing in some cases since the change can be made either by EL KB team or by the publisher. Since we can't distinguish between publisher update and KB correction may be we need to change this status to more wide term like "Withdrawn Centrally" for all KB changes done either by publisher or by Exlibris KB team.
