  - **Product Version:** 20
- 

### Question

Is it possible to change call numbers which contain character string "EG" to "EU"?

Example: „EG 123 VR“ shall be changes to „EU 123 VR“

---

### Answer

Unfortunately it's not possible to change parts of a call number using e.g. “Items - Update Item Records (manage-62)”, only complete call number names can be changed.
