

## Error message when searching for 'fuzzy'

- **Article Type:** General
  - **Product:** Verde
  - **Product Version:** 2
- 

### Description:

Error Message: The search text format is not supported is displayed when trying to search for 'fuzzy'. The reason is that the word is included into the Oracle stop list.

The error message "The search text format is not supported" is displayed when trying to search "fuzzy". This is because "fuzzy" is included into the Oracle stop list.

The message displayed in the UI is misleading and should be corrected.

w/a: put the word in quotes.

### Resolution:
