

cir-78 doesn't give any indication of its progress

- **Product:** Aleph
 - **Product Version:** 20, 21, 22, 23
 - **Relevant for Installation Type:** Dedicated-Direct, Direct, Local, Total Care
-

Symptoms

The p_cir_78 (the Circulation Logger Clean Up) Service doesn't give any indication of its progress: the job can run for hours without writing anything to its log.

Defect Status

V22 rep_change 002240, to be included in SP 22.1.4, adds a trace message after every 1000 records.
