

How do I disable renewal of charged items via WebVoyage?

How to disable renewal of charged items via WebVoyage to prevent patron Circulation activity during Alma migration

- **Product:** Voyager
 - **Product Version:** All
 - **Relevant for Installation Type:** Dedicated-Direct, Direct, Local, Total Care
-

Question

How do I disable renewal of charged items via WebVoyage?

Answer

1. Edit the `webvoyage.properties` file in `/m1/voyager/yyydb/tomcat/vwebv/context/vwebv/ui/{skin}`
 2. Set `page.myAccount.chargedItem.renew.single=N`
 3. Set `page.myAccount.chargedItem.renew.all=N`
 4. Save changes.
