 - **Relevant for Installation Type:** Dedicated-Direct, Direct, Local, Total Care
-

Question

How do I disable Media Booking through WebVoyage?

Answer

1. SysAdmin>Circulation>Cluster Maintenance and verify location currently selected as OPAC Circ Desk
 2. Media SysAdmin>Policy Groups>choose the policy group containing OPAC Circ Desk>Locations
 3. Highlight the OPAC Circ Desk location, and click Delete to remove it from this policy
