

Course Summary / Course Report confusion

- **Product:** Aleph
 - **Product Version:** 20, 21, 22, 23
 - **Relevant for Installation Type:** Dedicated-Direct, Direct, Local, Total Care
-

Description:

It seems that the

p_course_06 "Course Summary" report uses the "course-report" form and the
p_course_01 "Course Lists Report" uses the "course-summary" form.

Is this correct?

Resolution:

Yes, this is correct.... An unfortunate confusion.

Corrected in v. 21 by rc #2099.
