

## Aleph 21: Upgrade from Oracle 11.2.0.3 to Oracle 11.2.0.4

- **Product:** Aleph
  - **Product Version:** 21
  - **Relevant for Installation Type:** Local
- 

### Question

We are using Aleph 21 on Oracle 11.2.0.3. Can we upgrade Oracle to 11.2.0.4?

### Answer

Yes, to do this follow the instructions from document "How to Upgrade Oracle Software and Database 11.2.0.3 to 11.2.0.4" which can be found attached.

Note: contact your Ex Libris Support Team to obtain the relevant patch.
