

Leganto Release Notes April 2016 - HF

Resolved Issues

The following issues were resolved in this release:

- (URM-58296) Patrons were not able to mark citations as read/unread. This was fixed.
- (URM-57688) Dissertation was missing as a secondary type when manually adding a citation. This was fixed.
- (URM-58123) The status of citations uploaded by an RIS file was **Draft** instead of **Being Prepared**. This was fixed.
