

Support of SOAP APIs

- **Product:** Alma
 - **Product Version:**
 - **Relevant for Installation Type:**
-

Description

Restful APIs are available for a long time now. How long will the old SOAP APIs be available?

Resolution

There is no end date of SOAP usage. We discourage customers from doing so, and every support ended in December 2015 (meaning the support team is not be able to assist anymore in case of problems). But nonetheless product management confirmed that SOAP usage is possible beyond 2015.
