

5.2 Approving Deposits

Duration	15 min.
Description	Rosetta staff may review deposits waiting for approval, and decide whether to approve, reject, or decline the SIP. If needed SIPs and their IEs can be edited during the approval process. User managers assign these approval roles to staff users: assessors, arrangers, and approvers (the Three A's).
Target Audience	<ul style="list-style-type: none"> • Rosetta administrative staff User Managers Rosetta staff with approval roles (the Three A's) - Assessors, Arrangers, Approvers
Prerequisites	Rosetta Deposits for Producer Agents
