owner-id in lapsed-holds.xsl cut down to 5 characters

- **Product:** Aleph
- **Product Version:** 20, 21, 22, 23
- **Relevant for Installation Type:** Dedicated-Direct, Direct, Local, Total Care

---

Problem:
When printing the expired hold requests report the owner id is cut down to 5 characters.

Cause:
Configuration

Resolution:
Obsolete entry in file xxx01/form_lng/lapsed-holds.trn:

```
! M
! /
!Tag                                 Type        S Parameters
!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!-!!!!!!!!!!-!-!!!!!!!!!!!!!!!!!!->
owner-id                             SUB-LIB     S
```

Delete the line, then repack the printing templates using util i/6.
