

## ARC Report Studio: 'this is not a multi-dimensional source'

- **Product:** Aleph
  - **Product Version:** 20, 21, 22, 23
  - **Relevant for Installation Type:** Dedicated-Direct, Direct, Local, Total Care
- 

### Problem Symptoms:

In ARC Report Studio an error message is displayed In the left frame:

'This is not a multi-dimensional source'

### Cause:

The authoring mode is set incorrectly

### Resolution:

Change authoring mode in menu 'View / Authoring mode' from 'Express' to 'Professional'<https://knowledge.exlibrisgroup.com/@api/deki/files/42410/ARC.mode.pdf>.

See attached pdf for screenprints.
