

tab_merge_overlay column 4

- **Product:** Aleph
 - **Product Version:** 20, 21, 22, 23
 - **Relevant for Installation Type:** Dedicated-Direct, Direct, Local, Total Care
-

Question

Is the content of filter string in tab_merge_overlay, col. 4, case-sensitive?

Answer

No, the content of filter string is not case-sensitive

From table's header:

```
01 2 Y 590##, 5, *abc*
```

abc string is not case-sensitive.
