

## p\_union\_09

- **Product:** Aleph
  - **Product Version:** 20, 21, 22, 23
  - **Relevant for Installation Type:** Dedicated-Direct, Direct, Local, Total Care
- 

### Description:

Does union-09 function in v20? When running, it deleted all the z120 records and resulted in a crash.

### Resolution:

This is a known issue. Please DO NOT use p\_union\_09. We are considering removing it from the menu.
