

Course reading - search button inactive

- **Product:** Aleph
 - **Product Version:** 20, 21, 22, 23
 - **Relevant for Installation Type:** Dedicated-Direct, Direct, Local, Total Care
-

Problem Symptoms:

When trying to add documents to a course, clicking on the Search button brings up a blank form.

Cause:

Missing configuration file

Resolution:

Copy `./usm50/tab/pc_tab_find_course.lng` file to your local environment `./abc50/tab/`.
