

## Moving of ADAM objects

- **Product:** Aleph
  - **Product Version:** 20, 21, 22, 23
  - **Relevant for Installation Type:** Dedicated-Direct, Direct, Local, Total Care
- 

### Question

Do I have to add a specific access right in order to move an ADAM object from one ADM library to another?

### Answer

Unfortunately it's not possible to move ADAM objects.
