

Exporting a file of ISBNs

- **Product:** Aleph
 - **Product Version:** 22, 23
 - **Relevant for Installation Type:** Dedicated-Direct, Direct, Local, Total Care
-

Question

How to export a list of all ISBNs existing in the database?

Answer

Do the following steps in order to create a proper list of ISBNs:

- (1) ret-01 with search for field 020##, subfield a
- (2) print-03 for field 020## in Aleph Sequential Format
