

Create Read-Only User in Oracle

- **Product:** Aleph
 - **Product Version:** 20, 21, 22, 23
 - **Relevant for Installation Type:** Dedicated-Direct, Direct, Local, Total Care
-

Desired Outcome Goal:

Give an Oracle user read-only access in the whole database

Procedure:

To create a user which can only read the tables do (from a privileged user):

```
CREATE USER ronly identified by passw12;  
grant create session to ronly;  
grant select any table to ronly;
```
