## How to remove Exlibris copyrights sign from the page footer for Delivery

- **Product:** Rosetta
- **Product Version:** 5.1

- 
- In order to change/remove Exlibris copyrights sign in Delivery, follow the following steps :
    1. Go to "Administration" > "General" > "All Code Tables"
    2. Edit the "UILabels" code table
    3. Export the code table
    4. Open it with Excel
    5. Edit the description of the "c.copyright" code to the desired value.
    6. Save the excel file with the old name
    7. From the UILabels code table, import the newly saved file
