

## How to add a Title to a customized Birt report

- **Product:** Rosetta
  - **Product Version:** 5.0.1
- 

Open the report from Report Designer.

1. Go to Body
2. Insert Element
3. Select Grid, column - 1 , row 1
4. Click > Grid > Row > Cell
5. Right click from 'Cell' then Insert Element
6. Add 'Label'
7. From the layout view, Right click on the field > select Properties
8. In 'General' menu, select style = 'Report Title'. Format should be inherited.
9. Go to 'Advanced' menu, in the Content field, add the title of your report.
