
Intota Assessment: User Guide

- **Product:** Intota Assessment
-

The **Intota Assessment User Guide** is an index to a variety of articles in the Support Center. The Intota Assessment platform also provides context-sensitive help through the **Help** links displayed in the top right of many pages in Intota Assessment.

If you need additional assistance, you can use the Find Topics search box above (it searches the complete full text of articles). Additional assistance is always available by using the **Support Portal** option near the top of the page or by [calling us](#).
