
Summon: Feedback Form

- **Product:** Summon
-

What is the Feedback Form?

The Feedback form allows patrons to easily send feedback about their experience with Summon. The form is activated when a patron clicks the Feedback link on the top right of the Summon results page.

The screenshot shows a feedback form titled "Feedback" with a close button in the top right corner. The form contains the following fields:

- Type of feedback:** A dropdown menu with "General Feedback" selected.
- Role:** A dropdown menu with "Undergraduate Student" selected.
- Email:** An empty text input field.
- Description:** A text area with "Required" written inside.
- Rating:** A question "How would you rate your level of satisfaction?" followed by five radio buttons labeled 1, 2, 3, 4, and 5.

Submitted feedback goes to the email address you designate and to the Summon team. Configure your form using the **General** section of the [Settings](#) page in the **Summon Administration Console**. Use the [Translations](#) page in the administration console to customize the wording used on the form.
